- Keenayah Hill is a model and posing coach, best known for being a contestant and the 2<sup>nd</sup> runner up in Cycle 4 of *America's Next Top Model*. She's unbelievably single which signals that Atlanta's dating scene is definitely troubling.
- Since *ANTM*, Keenayah has appeared in *Rolling Stone*, *Complex*, *Cosmopolitan*, and *Vibe* magazines and has acted in *New Girl*, *Half & Half*, *The Bold and the Beautiful*, and *Truth Unspoken*.
- Along with modeling and acting, Keenayah established a series of posing workshops called "Find Your Light" to help mentor young women entering the modeling industry.
- Keenayah's international modeling career led to her being courted by men from all around the world. She's quick to say that every country has it's own set of dating and relationship issues, as she still remains 100% single.
- Keenayah has lived in Atlanta for three years. She says the men in The A are definitely different from any other men she's met, and has a hard time figuring out who's gay and who's straight.
- Keenayah's advice for women is to not ignore red flags, especially the ones that are already a problem in the initial honeymoon stage. She believes men won't change no matter what, so women should stop exhausting themselves trying.
- She wants women to first know themselves before speaking what they want into the universe, to mindfully find their purpose and always walk with confidence.
